Implementation of recommendations of Bhanu Pratap Singh Committee regarding F.C.I.

1110 SHRI MENTAY PADMANABHAM Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state·

(a) the steps being taken to make the Food Corporation of India an efficient and economically viable organisation;

(b) whether Government have examined the Bhanu Pratap Singh Committee Report on the Food Corporation of India;

(c) what steps are being taken to remove high spending by the officials,

(d) what are the details of economy measures being initiated; and

(e) whether outside experts would be asked to examine and suggest ways to streamline the Food Corporation of ndia's operation?

THE MINISTER OF STATE IN THE MINISTRY OF FOOD AND CIVIL SUPPLIES (SHRI SARWAR HUSSAIN) (a), (c) and (d) The Food Corporation of India is the main agency of the government for protecting the interests of the farmers on the one hand and the consumers on the other hand The FCI purchases/ issues foodgrains at the prices fixed by the Government The Central issue prices of foodgrains do not cover all the handling costs of FCI The difference between the economic costs and the Central issue prices is reimbursed to FCI in the form of subsidy as a deliberate welfare policy of the Government The handling costs of FCI are composed of costs of controllable and non-controllable items Costs on non-controllable items constitute the major portion of the handling costs FCI, however, have prepared a Cost Reduction Plan on items which are controllable with a view to reducing its operational costs and as a result the Corporation achieved savings of Rs 667 65 crores during period from 1986-87 to 1989-90

(b) The recommendations of the Bhanu Pratap Singh Committee on Agricultural Policies and Programmes are under examination in the Ministry of Agriculture

(e) The Bureau of Industrial Cost and Prices (BICP) had recently undertaken a cost audit of FCI's operations and submitted a report It has found that economic cost of foodgrains handled by the FCI was lower than the open market prices in almost all the States
